

SG Pediatrics of Lake Orion - Office Policies

Office Hours

Our office is open Monday-Friday 9:00-5:30 pm. by appointment only.

Reaching the Doctor after Hours

If there is a life-threatening emergency, call 911 or go to the nearest emergency room. For urgent phone calls you may call the office at (248) 683-3385 and follow the prompts to reach the doctor on call.

Prescription Refills

If you need a refill on any of your prescriptions (except controlled substances), please give us seven (7) business days notice.

Late Appointments

Please notify our office as soon as you know you will not be able to keep your scheduled appointment. If you will be more than 15 minutes late, we will need to reschedule the appointment so that other patients can be seen timely.

Missed Appointments

It is very costly to our practice when patients miss their appointments without notifying us. As a courtesy we alert you of an upcoming appointment with your preferred reminder method, however, please make sure it is put on your calendar as you make the appointment. If you are a no-call-no-show for a 2nd time, we will charge \$25 for the missed appointment. If you a no-call-no-show for the 3rd time, we will charge \$25, and you risk discharge from the practice.

Referrals

To make the referral process as smooth as possible for you, please notify us of your appointment date as soon as possible so we can ensure the referral is ready on time. Referrals require 5-7 business days. This time is necessary in case your insurance needs further information or time to review the case before giving authorization for the requested services. Referrals will be faxed to the specialist's office when completed and should be there when you arrive for your appointment. **Except for in emergency situations, last minute referrals cannot be done.**

Emergency Room Visits

Per directives from your insurance company, only life-threatening emergencies should be seen in the ER. Urgent care visits are for after- hours or holidays or issues that can't wait until the office opens.

Co-pays & Balances

Co-pays are expected at the time of service. In case of divorce, according to Michigan State Law, the parent bringing the child in for treatment is responsible for the payment at the time of service. All prior balances are due at the time of your visit. For a payment plan, please talk with our front desk staff. Credit cards can be kept on file for your convenience.

Release of Medical Records

To obtain a copy of your child's medical records, we must receive written consent. There is a \$50 charge for medical records (unless a large quantity of pages which would mean additional charges) and a \$10 for minimal records. This charge, allowable by the State of Michigan, is to cover administrative and supply costs.

Children 18 years and Older

When a child turns 18, it is recommended to transition to adult medicine. A new set of Intake forms will need to be completed by the patient. Due to HIPAA regulations, we are unable to release any information regarding the patient's healthcare or account once they turn 18 unless the patient has completed and signed a new HIPAA authorization form on or after their 18th birthday, listing the individuals permitted to receive their medical information.

Paperwork

Any paperwork needing to be filled out will require seven (7) business days. This includes Health Appraisals, FMLA, etc.
